DISCOVER, EXPLORE & LEARN IN THE RAINFOREST!

Step into the heart of the rainforest and uncover its secrets through The Habitat's Rainforest Explorer Program! Designed for young adventurers, this immersive learning experience brings science, history, and geography to life.

Join us on a guided rainforest walk, engage in hands-on activities, and complete fun worksheets while earning a certificate of participation!

Ready to explore? Book a rainforest adventure today!

The Rainforest Explorer Program at The Habitat Penang Hill

is designed to inspire a love for nature through immersive, hands-on learning. Our mission is to provide an engaging outdoor classroom where participants can discover the wonders of the rainforest and deepen their understanding of biodiversity and conservation.

Program Structure:

- Each school group is allowed to select only one (1) module per booking. Multiple modules cannot be combined within a single visit
- Expert-led nature walks
- Interactive activities & challenges
- Worksheets & completion certificate
- Group Size: 10 - 40 participants
- Duration: 3 hours

Why Join the Rainforest Explorer Program?

Aligned With The National School Syllabus

Complements science, biology, history, and geography studies.

Hands-On & Experiential

Encourages active learning beyond the classroom through real-world exploration.

Develops 21st-Century Skills

Boosts critical thinking, problem-solving, and teamwork.

A Living Classroom

Discover the wonders of the UNESCO Penang Hill Biosphere Reserve firsthand!

Encourages Environmental Stewardship

Inspires a love for nature and conservation.

MY RAINFOREST

Age Group: 4-6 years old

**See, Hear, Smell, Taste, Touch
- Experience the Rainforest!**

Get ready for a rainforest adventure using all five senses! Discover the colours, shapes, sounds, and textures of nature while learning how animals survive in their wild home.

Activities: (Select only one (1) activity)

Shapes & Colours of Nature – Collect leaves and sort them by colour and shape!

OR

Join My Pieces – Solve puzzles to reveal hidden rainforest creatures!
